These data are not intended for use in site-specific screening or decision-making.

Disclaimer

The maps and digital data products made available here are a variety of products produced or acquired by the Illinois State Geological Survey and are subject to the terms and conditions of use as defined in the Product Terms of Use Agreement of the University of Illinois. These products are geographically referenced using geographic coordinates. The Illinois State Geological Survey accepts no responsibility for the use of these products other than such use as is described in the Product Terms of Use Agreement. The products are provided "as is" and any use thereof is entirely at the user's risk. The Illinois State Geological Survey makes no warranty of any kind, expressed or implied, as to the accuracy, completeness, or suitability of these products for a particular purpose. The Illinois State Geological Survey is not liable for any loss, costs, expenses, or damages incurred by any person as a result of such use. The user is entirely responsible for the accuracy and interpretation of the information contained in these products.
