Danville Coal Sulfur
MCLEAN County

Map Explanation

The maps are digital representations and may vary from the original maps due to various factors such as changes in geographic information, updates in data sources, and improvements in mapping technologies. The data used to create these maps is subject to errors, omissions, and may not be complete or accurate. The maps are intended for general information purposes and should not be used for legal or engineering purposes.

Data included in the map are suitable for use at a scale of 1:100,000. The Illinois State Geological Survey and the University of Illinois make no guarantee, expressed or implied, with respect to the geographic location, type, quantity, and reliability, as they were supplied to the Illinois Department of Natural Resources. The maps are not intended for legal use or for use in engineering or construction projects.
