Springfield Coal Elevation

WARREN County

County Coal Map Series

Copyright July 2019

This product is for research and may not meet the standards of the Illinois State Water Survey. County coal maps and related spreadsheet maps are available at http://www.isgs.illinois.edu.

Map Explanations

The map and data from the Springfield elevation model that have a varying spatial and vertical resolution have been compiled and presented for a specific purpose and time. These data are intended for research and educational purposes only. The data have not been reviewed or approved for publication by the Illinois State Water Survey. These products are not intended for land use planning or public presentation. These data are subject to change as new information becomes available.

Disclaimer

The Illinois State Water Survey and the University of Illinois disclaim responsibility for any loss or injury resulting from the use of these data. While every effort has been made to ensure the accuracy of these data, the Illinois State Water Survey and the University of Illinois cannot be held responsible for inaccuracies, errors, or omissions. The user is solely responsible for the interpretation and use of these data.
