The Springfield Coal Sulfur County Map Series
LASALLE County

Map Explanation

The map and data for this map series were created from a variety of public and private sources and have multiple layers of compiled and processed data. Data accuracy varies and may need to be verified separately. The map is intended for general purposes and may not be suitable for navigation or detailed analysis. Users are advised to verify the accuracy of the data before using it for critical applications.

Disclaimers
The Illinois State Geological Survey and the University of Illinois make no guarantees, representations or warranties of any kind with respect to accuracy or completeness of the information contained in this map series. The information and interpretations contained herein were prepared under the supervision of a professional geologist and are believed to be reliable. However, these interpretations may need to be verified separately.
