Springfield Coal Thickness

LAWRENCE County

These data are not intended for use in site-specific screening or decision-making. However, these interpretations are based on data that may vary with respect to accuracy and completeness. Consequently, the accuracy of the interpreted features shown in these maps and on the accompanying tables should not be assumed. The maps and the data they present have not been reviewed by the Illinois State Geological Survey. The surveys by which the data for these maps were prepared were conducted under contract by the Illinois State Geological Survey for the Illinois Natural Resources Geospatial Data Committee. The maps were prepared in fulfillment of the requirements of the Federal Aid in Highway Construction, Highway Planning, and State Planning Program as authorized by P.L. 87-576, and are subject to state and federal laws. Surface mining operations and coal exploration may have affected the accuracy of the interpretations and data. The data were collected in 1968 - B95) and have not been adopted formally yet by the ISGS and are subject to change. All the data included in the maps are available for use at a scale of 1:100,000.
