Herrin Coal Depth

GREENE County

Map Explanation

The maps and digital data were compiled by the Illinois State Geological Survey (ISGS) in cooperation with the Illinois Department of Natural Resources (IDNR). The survey was supported by the Illinois State Geological Survey (ISGS), the United States Geological Survey (USGS), and various other agencies. The data used to create these maps includes information from various sources, including satellite imagery, aerial photography, and field observations. The information is subject to the limitations of the data and may be subject to changes in the future.
