Herrin Coal Depth

MADISON County

The Herrin Coal is present throughout the area as a sandstone coal; however, it is not always present in the Madison County area. The coal may not be present in the Madison County area due to the presence of other coal beds in the area. For more information, please contact ISGS at 217-782-5800.

Map Explanation:

- **Coal Depth**: The coal depth is shown on the map in feet. The coal depth is determined using satellite imagery and ground control points.
